Date: 24-04-2024

du Panasher

Senior Director (NTA)

Note:

1. NTA Scores are normalized scores across multi-session papers and are based on the relative performance of all those who appeared for the examination in one session. The marks obtained are transformed into a scale ranging from 100 to 0 for each session of examinees.
2. The NTA Score indicates the percentage of candidates who have scored EQUAL TO OR BELOW (same or lower raw scores) that particular candidate in that session.
3. The Percentile scores of a Candidate have been calculated as follows:
 $100 \times \text{Number of candidates who appeared in the 'Session' with a raw score EQUAL TO OR LESS than the candidate}$
The total number of candidates who appeared in the 'Session'
4. The NTA Score of the Total is NOT an aggregate or average of the NTA Score of individual subjects.
5. NTA scores are not the same as the percentage of marks obtained.
6. Candidate's particulars including Category and Person with Disability (PwD) have been indicated as mentioned by the candidate in the online Application Form.
7. This electronically generated Scorecard is the official scorecard published by the NTA.
8. The National Testing Agency has taken due care while uploading the Score Card. However, in case of any inadvertent error, the NTA reserves the right to rectify the same at a later stage.
